Playing Experience

Football Louisiana Tech

Mark Lambert begins his first season as the head coach of the Ladies softball program.

Prior to his new role, Lambert served as an associate head coach under Mark Montgomery in 2010. His duties included assisting with on-field coaching, managing the Ladies' strength and conditioning program as well as serving as the recruiting coordinator.

Lambert comes to Centenary directly from Captain Shreve High School in Shreveport, where he served as the head coach for six years. Lambert strengthened the program and guided his team to the playoffs in four of his six seasons as the head coach.

The Centenary Softball Complex has evolved into one of the finest collegiate playing venues in the region after several recent renovations. The Ladies are proud to call the Centenary Softball Complex home and the softball program wishes to thank everyone who made the improvements possible.

The complex offers brand new dugouts, a new press box, a new backstop with netting, a new sound system, and a reconfigured visitor's bullpen. The facility also includes a lighted and covered three-tunnel batting cage, a dual home bullpen, and wireless internet. Restrooms and a concession stand for the fans are located just steps from the bleachers.

HOME OF THE LADIES

Phase two of the softball field project began in the fall of 2007 when the dugouts were torn down to make way for two new ones. The newly designed dugouts are longer and deeper to accommodate more space for the teams. The home dugout also has a storage unit affixed to the south side of it. Both dugouts are lighted, have beautiful new benches, helmet and bat racks, and were painted Centenary maroon on the inside.

The dugouts were not only widened and lengthened, but set to a new angle to allow fans in the bleachers an optimal view from their seats. In addition, the press box was affixed to the visitor's dugout and was also widened and lengthened. The press box is equipped with shatter-proof sliding glass doors and a heating and cooling system.
